COME NOW the parties hereto and hereby stipulate and agree,
subject to approval of the Court:

1. That the Court has jurisdiction over the parties and the
subject matter in this proceeding.

2. That the Plaintiff has a valid and viable claim for dis-
chargeability of Defendants' debts with it, as alleged in its
Petition, and said claim is supported by substantial facts.

3. That the Defendants have certain defenses to said claims,
which defenses create issues that would require substantial time
and litigation of this matter.

4. That the parties have determined that it is in their
mutual interest and in the interest of justice to settle this
matter by stipulation without further proceedings or litigation.

5. That the Defendants agree that the sum of \$5,000 is the fair amount owing Plaintiff by them, and is nondischargeable as it relates to their prior loan with Plaintiff, and will agree to judgment being rendered against them in this proceeding for the aforesaid amount, with interest thereon at 8 percent per annum.

6. That in consideration of the foregoing agreement, Plaintiff agrees to accept said sum as a fair compromise of its claim, and agrees to accept judgment for the sum of \$5,000 as aforementioned.
